

Chemical Sourcing

To place an order or to request more information, please contact your local Sigma-Aldrich office or Sales Representative.

Sigma-Aldrich is connected with more than 800 suppliers world-wide, enabling us to access more than two million molecules currently unavailable from our catalogue.

Our Chemical Sourcing Service provides:

- Quotes within 24–48 hours
- Delivery of available products within 10 business days
- Custom synthesis if the product is currently not available

Our Chemical Sourcing Service allows you to:

- Save time
- Optimize staff and resources
- Remove risks of unknown suppliers
 - Delivery
 - Customs regulations
 - Payments
- Receive products from the sources at the best price
- Consolidate your supplier database
- Transform a complex process into a simple procedure —like any order you place with Sigma-Aldrich

For best service, please provide one of the following pieces of information when requesting a quote:

- CAS Number
- MDL Number
- Chemical Structure
- Chemical Name
