

## Sigma-Aldrich® Quality Policy

Sigma-Aldrich is committed to being the preferred global supplier for research, development, and manufacturing in life science and high technology. To achieve our strategic vision we must meet or exceed customer requirements. We will realize this goal by establishing and maintaining outstanding Quality and Quality Assurance systems. Every employee at Sigma-Aldrich is committed to defect-free work, following established procedures, and delivering products and services that are world-class!

### **The following principles guide our daily activities:**

- **Passion for Process Improvement**
- **Obsession with Service**
- **Leadership in Life Science and High Technology**

Tom Beil  
Vice President, Quality & Regulatory Affairs  
January 9, 2009

The ultimate measure of our success can be found in the success of our Customers, Shareholders and Employees.
