

Technical workshop:

LNA and Quantitative PCR

Tuesday, May 5
h. 14:30 – 16.30

Main Topics

Location:
Aula IGM-CNR
Via Abbiategrosso, 207
Pavia

Speakers:

Dr Tania Nolan
Sigma-Genosys - UK

Dr Matthieu Cubells
CNR-IGM - Pavia

- QPCR Assays: Design, Optimisation and Normalisation Considerations
- Quality control and Trouble-shooting QPCR assays
- LNA - a tool to improve the specificity and sensitivity of your QPCR assay

- Messa a punto della Real Time qPCR per misurare l'attività d'innescò di un'Origine di Replicazione Umana

Please reserve your seat on-line at www.sigma.com/qpcrseminars
