

Global Email / Domino Team Leader

Educational Background (Qualifications):

- BA in Politics and Computing
- Certificate in Management
- Certified IBM Lotus Administrator/Developer

Brief employment history prior to Sigma-Aldrich:

I served in the Royal Air Force initially as a Telegraphist and latterly as a Communications Engineering Officer in the UK, Netherlands, Germany, Cyprus, Gibraltar, Singapore, Yemen and the Maldives. On leaving the RAF I joined Cambridgeshire Constabulary as a Network Analyst. In 2001 I moved to Dorset and joined Sigma-Aldrich

Brief employment history at Sigma-Aldrich:

Initially employed a Domino/Notes Administrator, but moved to Email/Domino Team Leader role in June 2007. Visited offices in France, Germany, Switzerland and the US in the course of my work.

Key Career achievements

Still in progress! Try to pull together a fragmented global messaging organisation and provide an efficient cost-effective service to the business.

Career Aspirations

To learn more about some of the emerging technologies that could be exploited to the benefit of Sigma-Aldrich and to continue to develop and expand my skill set.
