

VIP Discount for Sigma-Aldrich Clients and Colleagues to Attend...

2nd Annual

Global R&D Congress

The Premier Event for Drug Discovery & Development in Emerging Regions

May 29-30, 2008 • Ritz-Carlton • Washington, D.C.

CONFERENCE HIGHLIGHTS:

- **UNDERSTAND** IP barriers and trends when planning a global strategy in India, China and other markets
- **IMPLEMENT** best approaches to outsourcing, in-licensing and risk sharing partnerships
- **EXAMINE** the regulatory landscape of Asia, Eastern Europe and Latin America
- **CLARIFY** the business, regulatory, and research environment for drug discovery, drug development and clinical research
- **MANAGE** complicated and long-distance collaborative third-party relationships
- **OVERCOME** the logistical challenges of transferring technology, data and staff
- **FIND** the best discovery and development services and partners
