

Seminar Invitation

Gene Knock Down – Knock In

*You are cordially invited to attend
our scientific seminar*

Topic:

*" Targeted Genome Editing in Mammalian Cells
Using Engineered Zinc Finger Nucleases "*

Speaker:

*Dr. Trevor Collingwood
Strategic Development Manager
Zinc Finger Nuclease Technology*

Chairman:

*Prof. M. Affolter
/ H.-G. Belting*

Monday, September the 22nd 2008
16:15 – 17:00 pm

Biozentrum, University of Basel

Klingelbergstrasse 50/70, 4056 Basel

HS 1
