

MATERIAL SAFETY DATA SHEET

DMT-2'-Fluoro-dCytidine Acetyl) β -Cyanoethylphosphoramidite

[DMT-2'-F-dC(ac) Amidite]

Section I - Chemical Products & Company Identification

Proligo LLC	Proligo Biochemie GmbH	Creation Date: 11/97
6200 Lookout Rd.	Georg-Heyken-Str. 14	Revision Date: 9/03
Boulder, Colorado 80301 USA	Hamburg, Germany D21147	Revision Number: 2

Product #: C213200-00

For emergency source information (USA) contact: Chemtrec 1-800-424-9300 24 Hours

For emergency source information (Europe) contact: Chemtrec 703 527 3887 (International)

Trade Names/Synonyms: DMT-2'-Fluoro-dCytidine Acetyl) β -Cyanoethylphosphoramidite/DMT-2'-F-dC(ac) Amidite

Chemical Family: Protected Nucleoside

Section 2 - Composition/Information On Ingredients - % by Weight

<u>Chemicals:</u>	<u>Composition (w/w) %:</u>	<u>CAS Number:</u>	<u>Classification:</u>	<u>Odor Threshold:</u>
DMT-2'-F-dC(ac) Amidite	>95%	None Available	None Available	None Available

Section 3 - Hazards Identification

NFPA Ratings (Scale 0-4): Not available.

Emergency Overview: White or near-white amorphous, hygroscopic solid. May form ignitable or explosive dust/air mixtures. Avoid contact with eyes, skin and clothing. The toxicological properties of this material have not been investigated. Use prudent laboratory practices for handling chemical substances of unknown toxicity.

Potential Health Effects:

Skin Contact:	Short Term Exposure:	No information available
	Long Term Exposure:	No information available
Eye Contact:	Short Term Exposure:	No information available
	Long Term Exposure:	No information available
Ingestion:	Short Term Exposure:	No information available
	Long Term Exposure:	No information available
Inhalation:	Short Term Exposure:	No information available
	Long Term Exposure:	No information available
Injection:	Short Term Exposure:	No information available
	Long Term Exposure:	No information available

CARCINOGEN/REPRODUCTIVE TOXIN STATUS:

OSHA: Not Listed

NTP: Not Listed

IARC: Not Listed

Section 4: First Aid Measures

- Skin Contact:** Remove contaminated clothing. Flush affected area with water and then wash with soap or mild detergent and water. Observe for signs of irritation. If irritation is present, get medical attention.
- Eye Contact:** Wash eyes with large amounts of water or normal saline. Observe for signs of irritation. If irritation is present, get medical attention.
- Ingestion:** Get medical attention.
- Inhalation:** Remove from exposure area to fresh air immediately. Get medical attention immediately.
- Injection:** If accidentally injected, get medical attention.

Note to Physician: There is no specific antidote. Treat symptomatically and supportively.

Section 5: Fire Fighting Measures

FIRE AND EXPLOSION HAZARD: Slight fire hazard when exposed to heat or flame. Dust/Air mixtures may ignite or explode.

Section 6: Accidental Release Measures

OCCUPATIONAL SPILL: Wear appropriate protective clothing and chemically compatible gloves. Place spillage in appropriate container for waste disposal. Wash contaminated clothing before reuse.

REPORTABLE QUANTITY (RQ): Not Applicable

Section 7 - Handling and Storage

Observe all federal, state and local regulations. Use prudent laboratory practices for handling and storage of chemical substances of unknown toxicity.

Section 8 - Exposure Controls/Personal Protection

- Exposure Controls** Occupational exposure limits for this substances have not been established by OSHA, ACGIH, or NIOSH. Use prudent laboratory practices for handling chemical substances of unknown toxicity.
- Eye Protection:** Employees must wear splash-proof or dust-resistant safety goggles to prevent eye contact with this substance.
- Clothing:** Employee must wear appropriate protective clothing (laboratory coat with long sleeves) and equipment to prevent skin contact with this material.
- Gloves:** Employee must wear appropriate protective gloves to prevent contact with this material.

Section 9 - Physical and Chemical Properties

DESCRIPTION: White to pale yellow solid

pH: Not available.

Section 10 - Stability and Reactivity

- REACTIVITY:** No adverse reactions have been reported.
- CONDITIONS TO AVOID:** Avoid creation of dusts.

INCOMPATIBILITIES: Not available.

POLYMERIZATION: Not available

Section 11 - Toxicology Information

TOXICITY: The toxicological properties of this material have not been investigated. For research and development purposes only.

CARCINOGEN STATUS: No information available

LOCAL EFFECTS: No information available

ACUTE TOXICITY LEVEL: No information available

TARGET EFFECTS: No information available

AT INCREASED RISK FROM EXPOSURE: No information available

Section 12 - Ecological Information

ENVIRONMENTAL IMPACT RATING (0-4): No data available.

ACUTE AQUATIC TOXICITY: No data available.

DEGRADABILITY: No data available.

LOG BIOCONCENTRATION FACTOR (BCF): No data available.

Section 13 - Disposal Information

.Observe all federal, state, and local regulations when disposing of this substance.

Section 14 - Transportation Information

Ship as a non-regulated material. No transportation restrictions apply. The acute toxicity profile does not warrant shipment as a hazardous material (DOT) or a dangerous good (IATA).

Section 15 - Regulatory Information

DMT-2'-F-dC(ac) Amidite

Europe:

EINECS/ELINCS: No

EC INDEX NO. No

Canada:

DSL/NDSL: No

United States:

TSCA STATUS: No

CERCLA SECTION 103 (40 CFR 302.4): No

SARA SECTION 302 (40 CFR 355.30): No

SARA SECTION 304 (40 CFR 355.40): No

SARA SECTION 313 (40 CFR 372.65): No

OSHA PROCESS SAFETY (29 CFR 1910.119): No

CALIFORNIA PROPOSITION 65 No

SARA ACUTE HAZARD (40 CFR 370.21) No

CHRONIC HAZARD: No

FIRE HAZARD: No

REACTIVITY HAZARD:

No

SUDDEN RELEASE HAZARD:

No

Caution: The toxicological properties of this material have not been investigated. For research and development purposes only.

For Laboratory R&D Use Only.

Section 16 - Other

THE AFOREMENTIONED INFORMATION IS BELIEVED TO BE CORRECT, BUT DOES NOT PURPORT TO BE ALL INCLUSIVE AND SHALL BE USED ONLY AS A GUIDE. PROLIGO,LLC, SHALL NOT BE HELD LIABLE FOR ANY DAMAGE RESULTING FROM HANDLING OR FROM CONTACT WITH THE ABOVE PRODUCT.
