

Certificate of Origin

Product Number: W269301
Product Name: Methyl butyrate
>= 98 %, FG
Lot Number: STBH2122
Brand: Aldrich

Country of Manufacture:	China
Type of Manufacture	
Chemical synthesis / chemical transformation	Yes
Fermentation / from cell culture	No
Purification/extraction from biological material	No
Purification/extraction from non-biological natural inorganic/organic source	No
Blending of various components (incl. Preparation of solutions)	No
Is the product / material partly or fully of human or animal origin (i.e., tallow derived materials, tissue, tissue extract or fluid such as milk, blood, etc.)?	No
Is the Product/Material synthetic origin?	Yes
Genetically modified organisms used	No

BSE/TSE statement:

This product-batch was derived from non-animal sources. Therefore this product-batch complied with the requirements stipulated in EMEA/410/01 as **Negligible Risk** for Transmissible Spongiform Encephalopathy (TSE) / Bovine Spongiform Encephalopathy (BSE).

Dr. Thomas Hellmann
Director Quality Assurance-EMEA
