To whom it may concern

Scope of EXCiPACT® certificate for SAFC Biosciences, Inc Lenexa, KS, USA.

Attached EXCiPACT® certificate US24/000003339 released by SGS and valid from 09 July 2025 until 26 August 2027, is applicable to “*Manufacturing, warehousing, and shipping of custom and catalog cell culture media to be used as Pharmaceutical Auxiliary Materials in upstream bioprocessing.*”, as mentioned in the scope.

We would like to share further details on the product portfolios covered by the certification.

Pharmaceutical Auxiliary Materials certified according to EXCiPACT®:2021 - PAM guide are exclusively products allocated to M-Clarity™ segment MQ500.

As stated on the label, our certified pharmaceutical auxiliary materials are not for direct animal or human use.

Excluded from the scope are imMEDIATE ADVANTAGE® cell culture media (initial non-GMP cell culture media samples on customer request) and animal serum products.

Sincerely,

Life Science - Quality Services
