Nutritional Value Statement

W200360 Acetaldehyde, \geq 99%, meets FCC analytical specification

Sigma-Aldrich does not test for nutritional data. Our Flavors & Fragrances products typically do not contribute to the nutritional value of flavors due to their extremely low usage levels and therefore fall under the nutritional labeling exemption defined in Section 101.9(a) and (j) of Title 21 of the Code of Federal Regulations, and Annex V of Regulation (EU) No 1169/2011.

Best regards,
