

# Specification

---

1.01252.0000 Starch soluble GR for analysis ISO

---

| Specification                                  |             |   |
|--|-------------|---|
| Appearance (color)                             | white       |   |
| Appearance (description)                       | fine powder |   |
| pH-value (2 %; water)                          | 6.0 - 7.5   |   |
| Sensitivity                                    | passes test |   |
| Reducing matter (as maltose)                   | max 0.7     | % |
| Sulfated ash                                   | max 0.4     | % |
| Loss on drying (105 °C, 2 h)                   | max 10      | % |
| Suitability as enzyme substrate (for amylases) | passes test |   |
| Iso reagent                                    |             |   |
