Product Specification

Product Name:
MISSION® ExpressMag® Beads - Increases transduction efficiency

Product Number: **SHM03**

Storage Temperature: 2 - 8 °C

TEST	Specification
Transduction Efficiency > 80% of the reference lot* * previous QC-approved lot manufactured within the last 12 months	Pass
Transduction Efficiency Standard deviation < 20% of reference lot* * previous QC-approved lot manufactured within the last 12 months	Pass
Sterility by Thioglycollate Assay: None detected after 14 days.	None Detected

Specification: PRD.4.ZQ5.10000009351

Sigma-Aldrich warrants, that at the time of the quality release or subsequent retest date this product conformed to the information contained in this publication. The current Specification sheet may be available at Sigma-Aldrich.com. For further inquiries, please contact Technical Service. Purchaser must determine the suitability of the product for its particular use. See reverse side of invoice or packing slip for additional terms and conditions of sale.
